Speaker: Mrs. Angela Johns February 20, 2025

Angela Johns is a lifelong Livingston Parish resident with a heart for children, families, and community. She worked in the Livingston Parish Public School system for over 20 years as an early childhood educator before transitioning in 2022 to her current role as a Family Support Coordinator with Crossroads, a faith-based organization that partners with local churches to recruit, equip, and support foster and adoptive families.

Since 2017, Angela and her family have been a foster family, experiencing firsthand both the joys and challenges of foster care. This passion led her to dedicate her career to advocating for children and families impacted by the foster care system.

With a deep belief that strong families are built through strong community support, Angela is committed to raising awareness about the needs of vulnerable children and finding practical, meaningful ways for businesses, churches, and individuals to get involved.

Whether through advocacy, collaboration, or simply connecting the right people, she is devoted to ensuring children and caregivers have the support they need to thrive.
